# CRACKER JACK

(No. K-11)

1945 Grand Champion Seedling. A deep orange-yellow throat with strawberry blotch. A wiry spike with 14 to 16 buds, 6 open, 5-6 showing color. The 4½" florets are wide open, plain, round, good texture, placement and attachment. I believe that the qualities of this Glad are such that it should become a leader for all purposes, home and commercial.

Every spike is salable and no crooks. Bulbets are heavy and germination excellent. Blooms in 70 to 75 days.

Cracker Jack (K-11) won Grand Champion Seedling, Sectional Champion, N. E. G. S. Seedling Purple Rosette Ribbon (large), and American Home Achievement medal at Tri-State Glad Show August 11 and 12, 1945, at Wellsville, Ohio.
